Mooting is an activity that gives law students a chance to get the closest experience of lawyering before one becomes a lawyer and to feel what it means be an advocate – it provides you with an opportunity to experience the adrenaline rush that a lawyer faces every time he faces a judge, it gives you a chance to learn real life skills and practice them till these skills become a part of one’s character in preparation for life as an advocate. With the hope that this Moot Court can enrich you with a similar experience, we welcome you to the 7th edition of VSLLS, VIPS International Law Virtual Moot Court Competition, 2020.

May the Odds Be In Your Favour

Vansh Vermani
Student Convener
VSLLS, VIPS
A moot court is an extracurricular activity in which participants take part in simulated court proceedings, which usually involve drafting briefs (or memorials) and participating in oral argument. The event particularly involves 2 phases. In the first phase the students research legislation, judgments, reports, etc. for framing their memorials and the second where, the students present oral arguments in front of the simulated courts and real judges.

The moot court aims to make the participants research, deliberate and discuss upon a topic of imminent international importance which not only broadens the scope of their horizon but works as an endeavour to make students realize the happenings of the real world and how the same are to be dealt with.

In the present COVID-19 pandemic, restriction has been cast on the physical movement of the society, but has not affected the simulation exercises. We would be adopting the online platform for conducting this competition. It is going to be an enriching and new learning activity for all the participants.

Wish you Good Luck!!!!
